STUDENT DEVICE APPLICATION

In an effort to support the Guam Department of Education’s Distance Learning goals, public school students will be provided with a grade-appropriate electronic device. This will ensure that teaching and learning continue to take place despite any short- or long-term interruptions. Parents/Guardians may check out the electronic devices at their child’s school. Families with multiple students at different schools must apply/obtain a device from each of their children’s respective school. Devices must be picked up and signed out by a parent/guardian and student unless student is 18 years old or older. Adult students may pick up devices on their own.

By completing this application, parent/guardian/student agree that the device is strictly for educational purposes. Students must attend online classes regularly, actively participate in virtual learning classes, and complete and submit assignments in a timely manner.
